Located in the center of the city, near St. Vincent Hospital, Cedar Park is designed with both commercial and residential units in a park-like setting. These spaces take advantage of Santa Fe's breathtaking views of the surrounding mountains. Residents will be inspired by the richly landscaped environment.

This mixed-use development is designed by the award-winning architectural firm Duty & Germanas Architects, Inc. **Office space** will be offered in 1,200 square foot units or may be purchased in multiple units in order to accommodate larger square footage needs. Office units are available as a "warm shell" and will be built to suit. **Residential / live-work spaces** are designed on the second floor and are approximately 1,125 square feet.
